THE FISH AND GAME BILL.

The greater part of the atternoon session was given over to the consideration of senate bill No. 46, by the John committee on lish and game. After almost innumerable amendments were offered and carried or defeated, the bill was finally passed by a vote of 25 to 4, the negative votes being announced by Representatives Ivers. Miler, Murdeck and Taylor. More than one of the poponents of the bill deciared that they voted against the passage of the moss are because they had been bored almost to death by the sportsmen and other lobbylists who were promisting it exacting to the bill, the object of, which is to afford better protection for the fish, game and bard interests of the state. that the senate will be unable to recognize the upper house for further action.

Representative Welch got in the first amendment to strike out the clause providing for the appointment of special deputy fish and sawe wardens as serve withint compensation. Has mendment prevailed, setting apart to be state commissioner in the enforcement of the law.

Then Mr. Lapish proposed an amend.

The senate met at 12 o'clock and immediately adjourned until after the joint reason.

The resolution provided for the legislature visiting the agricultural college max Saturday at 1 o'clock. Upon being called up for passage Mr. Nebeker stated that he was opposed to it for the reason that the senate had no time to spare. Mr. Howell thought the visit and almony.

HOT SPRINGS SOLD.

The Beek's Hot Springs property was existed that he was opposed to it for the reason that the senate had no time to spare. Mr. Howell thought the visit of the first part of the provided to it is a was Mr. Evans and upon being put upon its passage the resolution provided for the legislature visiting the agricultural college.

HOT SPRINGS SOLD.

The Beek's Hot Springs property was existed that he was opposed to it for the legislature by provide and the custody of the three minor solution No.

possed to it as was Mr. Evans and upon being put upon its passage the resolution failed to pass.

Communications were received from the house stating that the house and passed house bill No. 185, senate bill No. 18, house bill No. 185, senate bill No. 18, house bill No. 18, the substitute for house bills Nos. 51 and 52, senate bill No. 18, house bill No. 38, its substitute for house bills Nos. 51 and 52, senate bill No. 18, house bill No. 38, its substitute for house bills Nos. 51 and 52, senate bill Evans. Mr. Evans called up the resolution under a suspension of the rules and it was referred to him to be about the city council. The resolution provided for the council giving the state a clear title to the property now occupied by the state university.

Mr. Smoot presented a petition from John Lawrence, engineer of the city and county building, asking for \$30 or extra services during the last two sessions of the legislature. Referred to the board of examiners.

COMMITTEE REPORTS.

The committee on public health reported recommending the passage of senate bill No. 28. The committees on public health repassage of senate bill No. 28. The committee on public lands reported recommended the matter for the committee on public health repassage of senate bill No. 28. The committee on public lands recommended the matter for the council state of the city of the council state of the property occupied by the bleycle track and the grand stand, and also the water tank and the rights to the water which supplies the tank, in all of which Mr. Bamberger claimed some interest. The sale was house of senate bill No. 28. The committee on public lands recommended the water tank and the rights to the water which supplies the tank, in all of which Mr. Bamberger claimed some interest. The sale was at the suit of Alonzo E. Hydo. The same to all the bidding commenced, Sind of \$20,000 and the bidding commenced, Sin

tes on public lands recommended the sage of senate bill No. 55; the com-tee on state affairs recommended passage of senate bill No. 48, and committee on private bills and in-ance recommended the passage of substitute for house bill No. 30. All

the passage of senate bill No. 48, and the committee on private bills and insurance recommended the passage of the substitute for house bill No. 30. All the reports were adopted.

Mr. Smoot intraduced senate resolution No. 15, providing that all employees of the senate should be present and ready for business at 9 o'clock in the merning. There was no debate, most of the members seeming to think that the resolution filled a 'long-fell want' and it passed unanimously.

Senator Evans then calcid up the senate joint resolution which provides for submitting to the people an amendment to the state constitutions, resiling to the people an amendment to the state constitutions, resiling to the joint resolution which provides for submitting to the people an amendment to the state constitutions, resiling to the joint resolution was passed, only Senators Nebelack and Peery voting no.

The senate then adjourned until 3 o'clock.

The following new bills were introduced:

Senate bill No. 23, by Evans, provid-

duced:

Senate bill No. 83, by Evans, providing that railroads shall provide adequate cattleguards and fences about them, and that when cattle are killed the killing shall be prima facie evidence of negligence on the part of the railroad. The bill further provides that railroads shall be responsible for all railroads shall be responsible for all
